

select **NATURELINE EDITION**

MADE in GERMANY

RATIONAL *select* NATURELINE Graphite grey

Two innovations combined:

All NATURELINE colours are now also available for RATIONAL *select* & POPULAR *select*

select NATURELINE EDITION

Modern material. Vibrant tradition. NATURELINE's colours accentuate the full beauty of wood and grant you a great visual and haptical experience. The *select* NATURELINE edition combines all of the NATURELINE colours in an elegant wooden look with the select line's elegantly wavy surface. An innovative procedure ensures a

colour gradient that looks natural, as well as an individual grain and surface structure. The combination of POPULAR *select* and RATIONAL *select* deck surface structures with NATURELINE results in a harmonic overall image. Resilience and an elegant wooden look are joined together in the *select* NATURELINE edition.

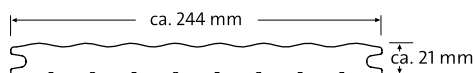

RATIONAL *select* NATURELINE

Are you looking for a high-quality surface for outdoors? Then RATIONAL *select* NATURELINE with its new wavy and slightly brushed surface is just the thing for you. Its width of approx. 24.4 cm and lengths between 1.5 and 13 metres mean that the large format deck is ideal for larger open areas, such as patios, roof gardens, but also playgrounds and swimming pool facilities. Because there are fewer joints, it is easy to achieve a closed and architecturally sophisticated look. RATIONAL *select* NATURELINE can be used on both sides, leaving you a choice between the new wavy and slightly brushed surface, and the traditional block stripe structure.

Oak brown Amber brown Chestnut brown Graphite grey

Format Surface	Height approx. 21 mm, width approx. 244 mm Wavy structure or block stripes not brushed
Standard lengths	3 metres / 4 metres / 5 metres / 6 metres

POPULAR *select* NATURELINE

Are you looking for a cozy, appealing patio? Then we can recommend our new deck POPULAR *select* NATURELINE. This patio deck bestows an elegant and comfortable atmosphere on your favourite spot, inviting anyone to walk on it and feel at home. You can choose between a wavy, slightly brushed surface, and a finely striated structure.

Oak brown Amber brown Chestnut brown Graphite grey
